

## MIMA TRANSFER OF OWNERSHIP

As a condition of the purchase of the MIMA control system or components thereof from Genesis One, and the installation as a modification to the Honda Insight automobile, I hereby agree to the following terms;

- 1) I affirm that I am the owner of the Honda Insight automobile to be modified with the MIMA system and/or components, and that the vehicle is titled and registered in my name.
- 2) In the event that the ownership of my Honda Insight vehicle would be transferred, I will before such transfer of ownership, remove all of the MIMA modification related components except the *MIMA harness ribbon cable*, and install the *bypass connector*, thereby returning the vehicle to the original stock configuration and operation.
- 3) I will inform the individual(s) to whom the ownership of the Honda Insight vehicle will be transferred, that the *bypass connector*<sup>1</sup> is required for the operation of the vehicle.
- 4) If the individual(s) to whom the ownership of the Honda Insight will be transferred requests that the MIMA modification remain installed and operational in the vehicle, I will delay transfer of the vehicle with the MIMA system until:
  - a) the completed and signed transfer of ownership certification form is received by Genesis One;
  - b) Genesis One receives both signed "MIMA TRANSFER OF OWNERSHIP" and "RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT"<sup>2</sup> from the new owner(s);
  - c) Genesis One provides written or e-mail permission for the transfer of ownership of the vehicle.

**I assume all responsibility and liability if the terms of this agreement are not fulfilled.**

<sup>1</sup>If required for the transfer of ownership, Genesis One will provide a *bypass jumper* on request, and at no charge. Note that 2 *bypass jumpers* are provided with MIMA systems and components packages.
